Dear Phi Mu Sisters, Friends and Family,

Phi Mu Foundation tours are all about opening new vistas and international experiences in the wonderful company of the Sisterhood. For 2017 we have two opportunities to delight in trips to France. The first is in May and there is a separate brochure for it. The second trip, this one, is also a deluxe barge for 22 fortunate passengers. We have it chartered for October 13-19 and the itinerary includes the Burgundy area of eastern France.

This cruise will guarantee a whole new change of scenery along the Doubs River in completely natural and untouched surroundings.

Franche-Comté's history has shaped the architectural landscape, leaving behind many amazing physical reminders over the years. A journey from Besançon to Montbéliard, our tour will take you from town to village as you discover the Doubs River Valley and its inhabitants. However, the Franche-Comté region is also known for its rich diversity of landscapes, from mountains and forests, to rapids and rivers. Here, you will relax in the great outdoors, walking and rambling through the countryside.

I have made the required deposit to secure the charter sailing, but we need to know by August 25th if we have enough Phi Mus, family and guests to retain the charter status. I think we will be sold out in no time, so let us hear from you right away.

The price is excellent, and for Phi Mus is below the price for the general public. You'll be happy it even includes all shore excursions and tips to the crew. 1852 Society members benefit from a \$100 discount! Indicate, please, on the reservation form.

We hope you'll be a part of this grand and memorable 2017 Phi Mu event.

The greatest compliment is that many Phi Mu's travel with us again and again, encouraging their friends to join them. We sincerely appreciate your trust, and we'll do our very best to make sure your travel experience is full, rewarding and great fun! In 2006 we trademarked the name "Serious Traveler," which is the name of our domain: [www.serioustraveler.com](http://www.serioustraveler.com), as well as the name of our newsletter. Should we be unable to confirm space, you will be notified and the deposit will be refunded in full. Balance of the basic cruise payment is due April 1, 2017. We prefer payments for the cruise by cheque, payable to Travel Concepts International, but we will also accept credit cards: American Express, MasterCard or Visa.

## **TRAVELING SOLO?**

Single Supplement \$1280  
Traveling alone? If you don't have a travel companion, let us try to match you with a suitable roommate to avoid the single supplement. Please indicate your preference on the reservation form.

## **AIR ARRANGEMENTS TO FRANCE**

There are many discounted airfares available. You may avail yourself of these and make your own arrangements from your home city to Paris. You might also decide to use frequent flyer miles. Or, if

you need assistance we will be happy to help you with air arrangements. Rates will be provided upon request. Please indicate your departure city on the Reservation Form. However, it is best not to make final purchase of your tickets until after April 1, 2017 or before if we can provide early status of the cruise.

Flight schedules always subject to change.

## **STAYING IN PARIS**

Let us help you with advise on arranging overnights in Paris before or after the tour. We'll send a suggested hotel closer to departure, and information on the Air France bus from Charles de Gaulle Airport to Gare de Lyon train station.

## **GETTING TO BESANÇON AND FROM MONTBÉLIARD AND TRANSFERS TO/FROM THE BARGE**

There are several trains from Paris Gare de Lyon to Besançon and from Belfort-Montbéliard to Paris. Schedules are not yet published for 2017, but as preparations for the trip progress, we'll certainly keep you informed. A search on raileurope.com brought up TGV (fast) train tickets from 75 € one-way depending on class of service as of June 6, 2016 for tickets departing this week. Please indicate your interest for more information on transfers to and from the Barge on the Reservation Form. Please plan to board the *MS Jeanine* in Besançon between 6:00 PM and 7:00 PM on Friday, October 13 and disembark the *MS Jeanine* in Montbéliard on Thursday, October 19 at 9:00 AM. We will also provide information on your options for rail to barge transfers and vice versa as time goes along, but plan on budgeting about 20€ per person each way.

## **TOUR INFORMATION**

On receipt of deposit, Travel Concepts International will send confirmation of space and information on optional travel insurance. Updates will be sent from time to time. After final payment is received,

a letter will be sent with information regarding luggage allowance, weather, packing, shopping and money. About 14 days prior to departure, we will send final documents via U.S. Postal Priority Mail. They will consist of your rooming lists, emergency numbers and any last-minute notes. Participants will be notified prior to mailing, but must advise TCI in advance if any other address than that given on the Reservation Form is to be used. Rerouting charges will be billed to the client. All tour members must meet payment and document submittal deadlines to insure timely processing of tour material.

## **CUSTOMS AND ENTRY REQUIREMENTS**

A passport with validity through January 2018 is required but validity to April 2018 is highly recommended. No visas are required for U.S. citizens traveling to France. In the section for visas/entries and departures your passport should have space for entry and exit stamps (excluding those marked amendments). If passport needs to be renewed or pages need to be added, please use their Expedited Service and overnight mail for processing (this takes about two weeks). If not a U.S. citizen, passenger is responsible for obtaining whatever documentation is necessary for entry into countries to be visited. Regulations are subject to change, and we will try to inform you of the latest changes.

## **TRAVEL INSURANCE**

If we cancel the trip for any reason, your money for the land portion is refunded in full. Airline tickets once ticketed are non-refundable or carry cancellation penalties based on class of service and fare basis. Situations may arise, voluntarily or involuntarily, in which the traveler cancels. Traveler is advised that insurance is available covering trip cancellation, lost or damaged baggage, medical needs, and certain travel-related accidents. We highly recommend

trip-cancellation insurance. You will be sent an informational flyer with instructions for applying upon receipt of deposit or you may call us for a quote today. Most insurance companies now have a clause which invalidates the insurance if there is a "pre-existing condition." If you have such a medical problem yourself, or a situation in the family, which could very well cause you to cancel (such as an ill elderly parent), please consider taking the insurance soon after making your deposit. The insurance companies now offer to drop the "pre-existing exclusion" when insurance for the full non-refundable cost of the trip is purchased within 21 days of the initial trip deposit if purchasing Worldwide Trip Protector. Call us for a quote, visit our website to click the blue link on the left column of our homepage under "Purchase Travel Protection" or call Travel Insured directly at 1-800-243-3174 with our agency #39918. If you purchase insurance and TCI cancels the trip, we will provide a letter for the insurance company so you can request a full refund of your premium.

#### **A WORD ON TIPS and TAXES**

Please advise us in advance of physical conditions limiting your activity. Travel Concepts International, Inc. (TCI) reserves the right not to accept or retain as a tour passenger any person whose condition or general department impedes the operation of the tour or affects the rights, welfare, or enjoyment of other passengers. A refund for unused tour services is the limit of TCI's liability if such person is required to leave the tour.

#### **CHANGES IN ITINERARY**

For the safety of our passengers, the captain and crew of the ship may decide to modify the navigational itinerary. The cruise schedule may vary according to tides and arrival times at ports of call may be subject to change.

#### **RATES**

As of the printing of this brochure, June 6, 2016, the exchange rate for one Euro is 1.15 USD. If there is a significant decrease in the value of the dollar at the time final payment is due a modest supplement will be added to the billing.

#### **CANCELLATIONS AND REFUNDS**

Once we confirm the tour on that date, we will deposit your cheque or charge your card. There will be no charge for cancellation up until August 28, 2016. However if payment is made by credit card, refund will be back to the credit card, less the credit card usage cost as that is billed to us. After August 28, 2016 payments are non-refundable. Should your cancellation cause the number of participants to fall below the required number to operate the trip,

and a replacement not be found, the full cruise portion of the trip will be forfeited. If a replacement is found the cancellation charge is \$100 plus credit card expenses incurred by TCI.

Once the cruise begins, no refund may be claimed for all or any part of the tour fee. Unused or changed accommodations, transportation, or other services or features of the tour are neither refundable nor exchangeable. Cancellations will only be accepted in writing, addressed to Travel Concepts International, Inc., 5500 Bucks Bar Road, Placerville, CA 95667. The date such letter is received will determine the cancellation date.
